I (the person identified above) request that I be excluded from and not be allowed to enter all licensed casinos in the State of Iowa. I acknowledge that the casinos from which I am banning myself are listed on page three (3) of this form, and I acknowledge that this ban will include casinos that are opened or acquired after the date of this request. I acknowledge that this self-exclusion shall be an **irrevocable lifetime ban** as required by Iowa law, and I shall not be permitted to enter or return to this casino, any licensed casino in the State of Iowa, or any casino owned by a casino company operating in Iowa that has a company-wide exclusion policy as described on page three (3) at any time. This lifetime ban shall apply to all parts of the casinos, including gaming areas, gaming floors, and pari-mutuel gaming areas, and some casino companies may by corporate policy extend the ban to non-gaming areas such as restaurants, hotels, pavilions, and any other parts of a casino complex under the control or management of any state licensed casino in Iowa. The words "Casino" and "Casinos" as used in this form include gambling excursions boats, racetrack enclosures, gambling structures and any other facility that offers gaming at a venue licensed by the Iowa Racing and Gaming Commission.

I have taken the time to read and understand the terms of this Self-Exclusion Request Form, and I agree that I am legally bound by the following terms and conditions during my lifetime ban:

- **I acknowledge that some Casino companies operating in Iowa have a corporate policy that will cause this lifetime ban to apply at all the casinos that they own or operate in other states and countries, or casinos they acquire after the date this form is signed and that it is my responsibility to determine if a Casino company has a policy that will ban me from playing at or visiting those casinos when I travel outside of Iowa.**
- **I will not attempt to gain access to (1) the gaming area of this Casino, (2) any other Casino, or (3) any non-gaming area if the ban has been extended to non-gaming areas by a Casino company as designated on page 3 of this form.**
- **If I enter any Casino or prohibited non-gaming area and I am detected, I request and consent to being evicted from the Casino immediately. I acknowledge that I may be arrested and prosecuted for trespassing and other violations of criminal law.**
- **If I am or become a casino employee or employee or agent of an entity which conducts business with a Casino, I understand I will not be subject to eviction while engaged in work-related activities. I agree to abide by all other terms of the ban while engaged in work-related activities and to leave the Casino or prohibited non-gaming area immediately upon concluding such activities. If I do not abide by all other terms of the ban engaged in work-related activities or I fail to leave the Casino or prohibited non-gaming areas upon concluding such activities, I request and consent to being evicted from the Casino immediately and acknowledge I may be arrested and prosecuted for trespassing or other violations of criminal law.**
- **I request and consent to having any jackpots, chips, tokens, machine credits, or ticket vouchers that are obtained by, or owed to me as a result of wagers I have made confiscated by the Casinos. I request and consent to the confiscated jackpots, chips, tokens, machine credits, and ticket vouchers being donated to the Iowa Gambling Treatment Program or any other treatment organization as required by Iowa law, and acknowledge that I am waiving any right to these items.**
- **I am waiving any right to any complimentary or other benefits that I may have earned in any player reward program, and that those complimentary and benefits shall be void and uncollectible.**
- **This self-exclusion request is irrevocable. It cannot be revoked or changed by me, or any Casino. My playing privileges and my ability to enter any of the Casinos cannot be reinstated.**
